

Native Habitat Certification Programs

If you're outside the boundaries of the Backyard Habitat Certification Program (<https://backyardhabitats.org/>), you can get your native home garden or organization's native habitat certified through one or more of these programs instead:

1. North American Butterfly Association (<https://naba.org/>)
2. Xerces Society for Invertebrate Conservation (<https://xerces.org/>)
3. National Wildlife Federation (<https://www.nwf.org/>)
4. Homegrown National Park (<https://homegrownnationalpark.org/>)
5. Monarch Watch (<https://monarchwatch.org/>)
6. National Audubon Society Plants for Birds (<https://www.audubon.org/plantsforbirds>)
7. Pollinator Pathway (<https://www.pollinator-pathway.org/>)
8. Bee City USA and Bee Campus USA (<https://beecityusa.org/>)
